- Diagnostic connectors/PPS	180 - 189
- Refrigeration capacities/Features of lubricants	190 - 193
- Diesel and petrol engine identification list/Oil capacity	194 - 201
- Abbreviation of depollution standards	202
- Vehicle identification	204 - 213
- Manufacturing location identification	214

List of families in the wiring diagrams

4310

Family number

Function number

Family 1 - Engine and transmission assembly

- 10. Starting, current generation
- 11. Ignition, preheating
- 12. Carburettor supply, injection
- 13. Carburettor supply, injection
- 14. Engine fault finding
- 15. Cooling
- 16. Gearbox, transmission
- 17. Electrical motor supply, batteries
- 18. Gas circuit
- 19. Alternating current starter

Family 2 - Signalling, exterior lighting.

- 20. Rear fog lights
- 21. Brake lights
- 22. Reversing lights
- 23. Indicators, side repeaters side lights, hazard lights
- 24. Daytime running lights, dimmed lights
- 25. Horns
- 26. Headlights, Rear lights, number plate lights, side lights

Family 3 - Interior lighting

- 30. Passenger compartment lighting
- 31. Closed compartment lighting

Family 4 - Driver information

- 40. Engine coolant and miscellaneous coolant information, current generation
- 41. Engine oil information
- 42. Engine air and engine speed information
- 43. Fuel and preheating information
- 44. Brake information
- 45. Suspension information
- 46. Gearbox and transmission information
- 47. Audible warning information
- 48. Engine management information
- 49. Opening elements information

Family 5 - Washers, wipers

- 50. Windscreen wipers
- 51. Windscreen washer
- 52. Rear screen wiper
- 53. Rear screen washer
- 54. Headlight wipers, Headlight washers

Family 6 - Various assistance mechanisms

- 60. Front electric windows
- 61. Rear electric windows
- 62. Central locking
- 63. Electrically controlled seat
- 64. with 6449 electric door mirror
6450 to 6469 blind spot detection
6470 to 6499 steering column
- 65. Passive safety seat belts
- 66. Headlight attitude corrector
- 67. Gearbox and driveshaft assistance
- 68. Sunroof, quarter panels

Family 7 - Driving assistance

- 70. Braking
- 71. Variable power-assisted steering
- 72. Multifunction display, trip computer, clock
- 73. Cruise control
- 74. Black ice warning
- 75. Front and side proximity detection
- 76. Under inflation detection (DSG)
- 77. Suspension (CSS)
- 78. Electronic stability program (ESP)

Family 8 - Driving comfort

- 80. Climate control, air conditioning
- 81. Heating equipment: rear screen and windscreen, windows, rear view mirror, cigarette lighter
- 82. Coded immobiliser with transponder
- 83. Heated seats
- 84. Radio, aerial, radiotelephone
- 85. Navigation, road information
- 86. Forced entry alarm
- 87. Electrically controlled blind
- 88. Towing

Family 9 - Multiplexing

- 90. Multiplex network computers

Numbering of devices

0002	Signalling lighting switch	1127	Ignition supply relay
0004	Controls	1130	Ignition computer
0005	Wiper switch	1131	Cylinder 1 ignition coil
1000	Starting safety switch	1132	Cylinder 2 ignition coil
1001	Cold starting relay	1133	Cylinder 3 ignition coil
1002	Cold starting pump	1134	Cylinder 4 ignition coil
1003	Cold starting solenoid valve	1135	Ignition coil
1005	Starting prevention relay	1136	Ignition coil condenser
1006	Engine blocking actuator	1137	Cylinder 5 ignition coil
1007	Body tilt sensor	1138	Cylinder 6 ignition coil
1010	Starter	1140	Antipol. module for the carburettor
1015	Stop start check computer	1141	Coolant reheating plug 1 supply relay
1020	Alternator	1142	Coolant reheating plug 2 supply relay
1021	Reversible alternator	1143	Coolant reheating plug 3 supply relay
1022	Alternator filtering condenser	1145	Throttle opening SV
1025	Dual battery unit	1146	Coolant rehea. spark plugs 1-2 supply relay
1026	Energy accumulator	1147	Coolant reheat. spark plugs 3-4 supply relay
1028	Electrical networks supply protective unit	1148	Engine coolant reheating relay 1
1030	Engine running information relay	1149	Engine coolant reheating relay 2
1031	Battery charge status unit	1150	Preheating unit
1032	Battery cable protection unit	1151	Heated fuel filter relay
1040	General power supply maintenance relay	1155	Preheating relay
1041	Emergency stop switch	1156	Postheating relay
1042	General relay	1157	Postheating thermal switch
1043	Reset switch	1158	Pre/postheating control unit
1044	Diode unit	1159	Heater plugs supply link
1045	Auxiliary reset switch	1160	Heater plugs
1050	Starting heating resist. solenoid valve ctrl	1161	Cylinder 1 heater plugs
1086	Antitheft alarm starting cut-off relay	1162	Cylinder 2 heater plugs
1087	Starting solenoid valve relay	1163	Cylinder 3 heater plugs
1088	Trailer cooling supply relay	1164	Cylinder 4 heater plugs
1100	Distributor	1190	Coolant circuit reheater
1101	Advance module engine coolant thermistor	1191	Ignition coil + cylinder reference
1102	Advance module	1200	Fuel pump relay
1103	Advance correction solenoid valve resis.	1201	Injection pump relay
1104	Advance correction solenoid valve	1202	Tachometric relay
1105	Ignition module	1203	Inertia switch
1107	Variable valve position sensor	1204	Impact safety relay
1108	Valve control computer	1205	Fuel pump fuse
1109	Cylinder deactivation SV	1206	Transition pump control unit
1110	Ignition distributor	1207	Transition pump
1115	Cylinder reference sensor	1208	Diesel injection pump
1116	Cylinder reference sensor 1	1209	Low-pressure pump
1117	Cylinder reference sensor 2	1210	Fuel pump
1118	Inlet cylinder reference sensor	1211	Fuel pump-sender unit
1119	Exhaust cylinder reference sensor	1212	Fuel tank air SV
1120	Pinking sensor	1213	Air pump relay
1121	Pinking sensor 1	1214	Shift indicator light
1122	Pinking sensor 2	1215	Canister bleed SV
1125	Accelerator pedal switch	1216	Resistance simulation canister
		1217	Canister bleed cut-off SV
		1218	Ignition advance cut-off SV

1219 Automatic gearbox inject. throttle potenti.	1270 Throttle valve reheating resistor
1220 Engine coolant temperature sensor	1271 Damper SV
1221 Diesel fuel thermistor	1272 Damper assembly
1222 Accelerometer	1273 Oil vapour rebreathing reheating resistor 1
1223 Injection air solenoid valve	1274 Oil vapour rebreathing reheating resistor 2
1224 Absorber closing solenoid valve	1275 Carburettor
1225 Idle speed regulation stepper motor (MMBA)	1276 Diesel heater
1226 Idle regulation motor and idle switch	1277 HP pump 3rd piston deactiv. SV
1227 Fuel tank pressure sensor	1278 Discharge start sensor
1228 Idle regulation motor/idle sensor + Hall effect sensor	1279 Fuel high pressure regulation SV
1229 Variable geometry turbo regulation SV	1280 Long variable air duct inlet (AFP) SV
1230 Additional air control	1281 Short variable air duct inlet (AFP) SV
1231 Automatic gearbox idle speed support unit	1282 Fuel additive computer
1232 Idle speed maintenance SV	1283 Fuel additive pump
1233 Turbocharging pressure regulation SV	1284 Fuel additive injector
1234 Carburettor damper SV	1285 Air inlet heating SV
1235 Carburettor breather SV	1286 Diesel fuel heater relay
1236 Deceleration cut-off SV	1287 Diesel heating resistor
1237 Blower SV	1288 Diesel heating thermal switch
1238 Variable air duct inlet SV (AFP)	1289 Inlet coolant heating SV
1239 Idle speed regulation SV	1290 Injection potentiometer
1240 Inlet air temperature sensor	1291 Degassing coolant SV
1241 Pulsair pump	1292 Fuel filter relay
1242 Pulsair relay	1293 Coolant unit integr. proport. coolant SV
1243 Variable distribution SV 1	1294 Vacuum pump
1244 EGR proportional SV	1295 Turbine discharge SV
1245 Altitude switch	1296 Variable air inlet SV
1246 EGR function supply relay	1297 Electric EGR SV
1247 EGR engine coolant thermal switch	1298 Air vacuum proport. SV
1248 EGR calibration resistor	1299 Bypass valve SV
1249 Load lever potentiometer (EGR)	1300 Coolant emulsion sensor
1250 Exhaust gas recirc. calc. (EGR)	1301 Automatic gearbox signal relay (injection)
1251 EGR vacuum pump	1302 Injection supply relay
1252 Diesel advance correct. relay	1303 Ignition and injection supply relay.
1253 EGR all or nothing SV	1304 Injection duplicate multifunction relay
1254 Load lever switch (EGR)	1305 Richness potentiometer
1255 Pump cut-off SV	1306 Automatic gearbox relay shunt
1256 Diesel advance SV	1307 Power multif. double relay
1257 - Flow SV (Diesel)	1308 Engine oil pressure sensor
1258 + Flow SV (Diesel)	1309 Turbocharger air thermistor
1259 +/- Flow SV (Diesel)	1310 Air flow sensor
1260 Injector needle lift sensor	1311 Turbocharging overpressure sensor
1261 Accelerator pedal position sensor	1312 Air intake pressure sensor
1262 Motorised throttle	1313 Engine speed sensor
1263 EGR SV + throttle	1314 Altitude sensor
1264 Swirl SV	1315 Injection resistor
1265 Carburettor reheating thermal switch.	1316 Throttle position sensor
1266 Carburettor reheating relay	1317 Diesel pump lever position sensor
1267 Diesel throttle SV (air inlet)	1318 Throttle switches
1268 Variable distribution SV 2	1319 Injection coding resistor
1269 Fuel reheating resist. relay	1320 Engine management computer
	1321 Diesel high pressure sensor

1322 Diesel high pressure regulator	1373 Turboch. air heating position recopy sensor
1323 Exhaust gas high temp. sensor	1374 Turbocharging position recopy sensor
1324 Proportional dosing SV	1375 Vertical linkage SV 1
1325 Fuel high pressure sensor	1376 Turbocharging pressure sensor
1326 Injection computer supply fuse	1377 Electric EGR SV A
1327 Cam position sensor (Diesel pump)	1378 Electric EGR SV B
1328 Rotor position sensor (Diesel pump)	1379 Vertical linkage SV 2
1329 Slide position sensor (D pump)	1380 Controlled thermostat (S2RE)
1330 Injector	1381 Fuel injection supply cut-off relay
1331 Cylinder 1 injector	1382 Dual mode exhaust SV
1332 Cylinder 2 injector	1383 Particle filter upstream exhaust high temp. sensor
1333 Cylinder 3 injector	1384 Pre-cat. downstream exhaust high temp. sensor A
1334 Cylinder 4 injector	1385 Pre-cat. upstream exhaust high temp. sensor A
1335 Cylinder 5 injector	1386 Pre-cat. downstream exhaust high temp. sensor B
1336 Cylinder 6 injector	1387 Pre-cat. upstream exhaust high temp. sensor B
1337 Cylinder 7 injector	1388 Oil vap. rebreathing heating res.
1338 Cylinder 8 injector	1389 EGR motorised throttle valve
1339 Cylinder 9 injector	1390 Inlet air pressure sensor 2
1340 Cylinder 10 injector	1391 Air flow sensor 2
1341 Particle filter differential pressure sensor	1392 WG1 proportional SV
1342 Engine multifunction computer	1393 Turbocharger proportional SV 2
1343 Downstream exhaust gas high temp. sensor	1394 EGR bypass throttle SV
1344 Upstream exhaust gas high temp. sensor	1395 Air inlet temperature sensor 2
1345 Oxygen sensor heating relay	1396 Gas recirculation SV 2
1346 Air flow sensor A	1397 Compressor SV 2
1347 Air flow sensor A	1398 Intake VANOS SV
1348 Oxygen sensor heating fuse	1399 Exhaust VANOS SV
1349 Material temperature sensor	1400 TDC sensor
1350 Upstream oxygen sensor	1401 Brake amplifier pressure sensor
1351 Downstream oxygen sensor	1405 Neutral sensor
1352 Front downstream oxygen sensor	1410 Exhaust temp. recovery SV
1353 Front upstream oxygen sensor	1411 Exhaust temp. recovery pump
1354 Rear downstream oxygen sensor	1412 Exhaust temp. recovery temperature switch
1355 Rear upstream oxygen sensor	1413 RTE coolant temperature sensor
1356 Braking vacuum sensor	1414 Engine speed sensor unit
1357 Proportional oxygen sensor	1500 Engine cooling fan relay (GMV)
1358 RR cat. downstr. exhaust gas high temp. sensor	1501 Engine cooling fan fuse (GMV)
1359 Cat. upstream exhaust gas high temp. sensor A	1502 Left-hand engine cooling fan supply relay
1360 ADC1 gateway unit	1503 Right-hand engine cooling fan supply relay
1361 Turbocharging air heating SV 1	1504 Right and Left engine cooling fan supply relay
1362 Turbocharging air heating SV 2	1505 Fan trigger temp. switch.
1363 Cat. downstr. exhaust gas high temp. sensor B	1506 GMV dual speed resist.
1364 Cat. upstream exh. gas high temp. sensor B	1507 GMV control thermistor
1365 Heating bracket relay	1508 Low speed GMV supply relay
1366 Heating bracket	1509 High speed GMV supply relay
1367 Electr. controlled turbocharger. + local contr. A	1510 Engine cooling fan (GMV)
1368 Electr. controlled turbocharger. + local contr. B	1511 Right-hand engine cooling fan
1369 Diesel volumetric regulator	
1370 Engine management single relay	
1371 Unlocked CCM multif. double function relay	
1372 Intake air heating position recopy sensor.	

1512	Left-hand engine cooling fan	1639	No load accel. pedal switch
1513	Fan unit electronic chopper	1640	Automatic gearbox program selector
1514	Medium speed engine cooling fan supply relay	1642	Gear lever block. actuator ctrl relay
1515	Left interference suppression filter	1643	Key blocking actuator ctrl relay
1516	Right interference suppression filter	1644	Key blocking actuator
1517	Controlled flap for cooling fan	1645	Automatic gearbox electronic control
1518	Fan unit three-speed resistor	1646	Automatic gearbox solenoid block
1519	Fan unit dual speed resistor	1647	Clutch SV
1520	Engine post-cooling temp.switch	1650	Controlled elec. gearbox computer
1521	Variable speed fan unit el. unit	1655	Electrically controlled gearbox power relay
1522	Dual speed fan unit control elec. unit	1660	Controlled manual gearbox computer
1523	Variable speed fan unit assembly 2	1661	Gear selector
1524	Power supply cut-off relay	1662	Control. manual gearbox inlet speed sensor
1525	Engine post-cooling relay	1663	Change actuator
1526	Engine post-cooling timer	1664	Selection actuator
1527	Supply cut-off relay 2	1665	Clutch actuator
1528	Single speed fan unit control elec. unit	1666	Gear control at steering wheel
1530	Post-cooling shunt	1670	Controlled manual gearbox auto mode switch
1550	Turbocharger cooling water pump	1700	Electronic management computer
1551	Turbocharger cooling water pump fuse	1701	Lower front batt. volt./temp. module
1552	Disconnectable coolant pump	1702	Upper front batt. volt./temp. module
1555	Turbocharger cooling water pump ctrl relay	1703	Rear batt. volt./temp. monitoring module
1600	Selection lever position switch	1704	Relay unit
1601	One-touch ctrl lever sensor	1705	Electronic tool kit
1602	One-touch ctrl switch	1706	Sector supply filter
1603	Automatic gearbox control assembly	1707	Traction batt. management computer
1606	Parking pos. buzzer supply relay	1708	Elec. converter electronics casing
1607	Grille + select. light supply relay	1709	Electric machine
1610	Exchanger flow control SV	1710	Hybrid traction chain supervis. computer
1611	Clutch pedal angle position sensor	1711	Electric cooling pump (CTH)
1612	Diagnostic neutral switch	1712	Heater matrix coolant pump (CTH)
1613	Automatic gearbox engine speed sensor	1713	Accelerator potentiometer
1615	Automatic gearbox pressure sensor	1714	Energy gauge
1620	Vehicle speed sensor	1715	Elec. cooling pump relay (CTH)
1621	Automatic gearbox vehicle speed sensor	1716	Heater matrix coolant pump relay (CTH)
1622	Automatic gearbox output speed sensor	1718	Electric motor cooling blower ctrl thermistor
1623	Hydraulic slave cylinder sensor	1722	Battery coolant cooling fan ctrl thermistor
1624	Gear change sensor	1724	Additional heater switch
1625	Vehicle speed interface module	1725	Inverter electronic unit, elec. machine
1626	Control lever	1727	Traction battery coolant pump
1627	Clutch power module	1728	Computer coolant pump
1628	Gear change power module	1729	Electric vehicle coded immobiliser relay
1629	Selection power module	1730	Coded immobiliser shunt
1630	Automatic gearbox computer	1732	Battery heating relay
1631	Torque reduction SV	1733	Battery heating resistance
1632	Pedal position switch	1740	Electric drive motor
1633	Selection sensor	1746	Electric motor cooling blower
1634	Clutch sensor	1747	Charging socket
1635	Automatic gearbox electrohydraulic unit	1748	Battery charging socket unit
1636	Automatic gearbox position sensor	1749	Heating cut-off self-energising relay
1637	Automatic gearbox kickdown switch	1750	Fast recharging switch
1638	Automatic gearbox lever blocking actua.	1800	Gas computer

1801 Absolute pressure sensor	1855 Cylinder 4 gas injector
1802 Metering SV (Solenoid valve)	1856 Fuel injector management unit
1803 Tank SV	1857 Gas expansion valve vap.
1804 Vaporiser SV	1858 Vaporiser gas pressure sensor
1805 3 relay unit	1859 Vaporiser coolant temp. sensor.
1806 Oxygen sensor relay	1860 Absolute low pressure sensor
1807 Diode bridge	1861 Absolute high pressure sensor
1808 Gas supply unit	1862 Gas information display
1809 Linear actuator	1863 Gas temperature sensor
1810 Gas/fuel switch	1864 Gas supply SV 2
1811 Gas/fuel timer relay	1865 Gas supply SV 3
1812 Gas supply fuse block	1900 Starter/alternator check computer
1813 Diagnostic warning light cut-off relay	1901 Starter/alternator engine management
1814 Gas pressure indicator	1902 Starter/alternator electric machine.
1815 LPG/Fuel double relay	1903 Heater matrix coolant pump
1816 12V/5V voltage adaptor assembly	1904 Electronic cooling coolant pump.
1817 Gas gauge	1905 Coolant temperature electronic sensor
1818 Engine coolant thermistor (15°)	1906 Clutch pedal switch
1819 LPG tank sender pressure absorbing unit	1907 Gearbox neutral sensor
1820 Gas distribution motor	1908 Coolant circuit heating plugs 1
1821 Gauge + LPG SV	1909 Coolant circuit heating plugs 2
1822 12V/5V adaptor assembly diode	1910 Coolant circuit heating plugs 3
1823 12V/5V conversion resistance	1911 Starter/alternator fuse power
1824 Air inlet flap SV	1912 Stop/start switch
1825 Gas supply SV	1913 High pressure battery fan
1826 Fuel pump cut-off relay	1914 High pressure battery temp. sensor
1827 Tank SV control relay	1915 Battery temperature sensor
1828 LPG distributor	2000 Rear fog lights switch
1829 LPG distributor pressure sensor	2001 Wiping/lighting controller
1831 LPG switch relay	2002 Driving school buzzer (Germany)
1832 Cylinder 1 LPG injector	2003 Driving school monitor unit (Germany)
1833 Cylinder 2 LPG injector	2004 Driving school jack socket (Germany)
1834 Cylinder 3 LPG injector	2005 Rear fog lights relay
1835 Cylinder 4 LPG injector	2006 Driving school switch (Germany)
1836 LPG general relay	2007 Driving school footwell lighting (Germany)
1837 Fuel booster relay	2008 Driving school interface unit
1839 Expansion valve SV	2010 Rear left fog light
1840 Gas return SV relay	2011 Central rear fog light
1841 Gas injector relay	2015 Rear right fog light
1842 Gas return SV	2016 Rear fog lights control unit
1843 Gas pump current sensor	2100 Brake light switch
1844 Gas SV fuse holder	2101 Redundant brake light switch
1845 Gas injectors fuse holder	2110 Additional brake light
1846 Gas computer supply fuse holder	2111 Left additional brake light
1847 Gas gen. relay supply fuse holder	2112 Right additional brake light
1848 Gas pressure/temp. sensor	2120 Brake dual function switch
1849 Gas injector rail SV	2200 Reversing lights switch
1850 Vaporiser SV control relay	2202 Reversing ctrl switch
1851 Gas pressure management unit	2210 Left reversing light
1852 Cylinder 1 gas injector	2215 Right reversing light
1853 Cylinder 2 gas injector	2300 Hazard warning lights switch
1854 Cylinder 3 gas injector	2305 Flasher sensor

2310	Indicator switch	2640	FR LH side clearance light
2320	Front left direction indicator light	2641	FR RH side marker
2325	Front right direction indicator light	2642	FR LH side marker
2330	Rear left direction indicator light	2643	RR RH side marker
2335	Rear right direction indicator light	2644	RR LH side marker
2340	Left-hand side repeater light	2645	FR RH clearance light
2345	Right-hand side repeater light	2646	RR LH light on upper body
2400	Daytime running lights side light line relay	2647	Rear right light on upper body
2401	Daytime run. lights dipped headlights relay	2650	RR LH clearance light
2402	Daytime running lights relay shunt	2651	Roof-mounted police sign
2403	Rear side lights relay	2655	Rear right clearance light
2404	Daytime running lights relay	2656	Rondo lights (Rear roof lights)
2410	Dipped headlights relay	2657	Central Rondo lights (Rear roof lights)
2411	Dim dip lights relay	2658	Rondo lights switch (Rear roof lights)
2415	Dim dip lights resistance	2659	Orange lights switch
2500	Horn switch	2660	Fog lights switch
2501	Horn steering wheel switch	2662	Front fog lights inhibition relay
2505	Horn compressor relay	2665	Front fog lights relay
2510	Horn compressor	2670	Left fog lights headlight
2520	Horn	2675	Right fog light headlight
2521	Low-pitched horn	2676	Additional headlights shunt
2522	High-pitched horn	2680	Long range headlights switch
2523	Pedestrian buzzer	2685	Long range headlights relay
2524	Pedestrian horn	2690	Left long range headlights
2525	Horn compressor fuse	2695	Right long range headlights
2530	Siren unit (police)	3000	FR LH door sill switch
2531	Siren switch (police)	3001	FR RH door sill switch
2532	Day-night siren switch (police)	3002	FR LH door sill switch
2535	Siren loudspeaker (police)	3003	FR RH door sill switch
2600	Lighting coil turret	3004	Lighting timer unit
2601	Front slope sensor	3005	Courtesy light timer relay
2602	Rear slope sensor	3006	Courtesy lights switch
2605	Dipped headlights relay	3007	Courtesy light relay
2606	Main beam headlights relay	3008	Interior lighting ctrl elec. unit.
2610	Left-hand headlight	3009	Ambient lighting dimmer switch
2611	Left-hand turning headlight	3010	Front interior lights
2612	Left-hand additional headlight	3011	Front central interior light
2615	Right-hand headlight	3012	FR LH courtesy light
2616	Right-hand turning headlight	3013	FR RH courtesy light
2617	Additional right-hand headlight	3015	Roof console + integrated funct.
2620	FR LH side light	3019	Rear courtesy light switch
2625	FR RH side light	3020	Rear courtesy lights
2630	RR LH light on body	3021	Rear central courtesy lights
2631	RR RH light on boot lid	3022	Left rear courtesy lights
2632	RR LH light on boot lid	3023	Right rear courtesy lights
2633	Right-hand license plate light	3024	Left courtesy light
2634	Jack socket shunt	3025	Right courtesy light
2635	RR RH light on body	3028	Boot lid courtesy light
2636	Left-hand license plate light	3029	Central courtesy light switch

6827	LH mechanism actuator	6890	Boot open switch
6828	RH mechanism actuator	6891	Cover panel retracted switch
6829	Mechanism actuator power supply relay	6892	Cover panel out switch
6830	Sunroof module	6893	Folding roof ECU
6831	LH roll bar switch	6894	Sunroof cover panel retracted/out switch
6832	RH roll bar switch	6895	Central electric window folding roof switch plate
6833	LH mechanism switch	6896	Folding roof assembly
6834	RH mechanism switch	6897	LH locked boot switch
6835	Sunroof control module	6898	RH locked boot switch
6840	LH electric quarter light switch	6899	Open boot switch
6841	Quarter light relay	6900	Luggage cover curtain switch
6842	LH electr. quarter light return switch	6901	Curtain switch
6845	RH electric quarter light switch	6910	Moving protector
6847	RH electr. quarter light return switch	70A1	ABS motor power supply relay
6850	LH electric quarter light motor	70A2	ABS solenoid valve power supply relay
6851	Folding roof switch	7000	Front LH ABS sensor
6852	Folding roof adjustment SV	7001	Power steering fluid pressure switch
6853	Folding roof hydraulic unit R1 relay	7005	Front RH ABS sensor
6854	Folding roof hydraulic unit R2 relay	7010	Rear LH ABS sensor
6855	RH electric quarter light motor	7013	Gear lever in neutral switch
6856	Roof locking/unlocking switch	7014	Rear wheels ABS gyro sensor
6858	Folding roof mechanism LH cover switch.	7015	Rear LH ABS sensor
6859	Folding roof mechanism RH cover switch.	7016	ABS accelerometer sensor
6860	Electric hood module	7017	ABS ECU fuse
6861	Electric hood switch	7018	ABS ECU relay
6862	Hood electric pump motor	7019	Idle speed maintain simul. resistor
6863	Rear part open SV	7020	ABS ECU
6864	Rear part closed SV	7025	ABS hydraulic assembly
6865	Electric hood close SV	7026	Braking assistance electric pump
6866	Electric hood open SV	7027	ABS solenoid valves fuse
6867	Cover open SV	7028	ABS shunt
6868	Cover closing SV	7029	ABS pump fuse
6870	Hood electric pump motor relay	7030	Pump assembly (GEP)
6871	Rear part jack switch	7031	GEP relay
6872	Electric hood jack switch	7040	Additional regulation unit
6873	Cover jack switch		

7041	Additional regulation unit electric plate	7301	Cruise control rotary switch
7045	Clutch pedal signal switch	7302	Lidar sensor
7046	Clutch position potentiometer	7305	Cruise control switch
7048	Controlled braking amplifier	7306	Cruise control safety switch (clutch)
7049	Controlled braking amplifier ECU	7307	Cruise control safety relay
7050	Traction control ECU	7308	Cruise control safety switch (brake)
7055	Traction control hydraulic assembly	7309	Engine manag.cruise control circuit shunt
7060	Traction control throttle actuator	7310	Cruise control ECU
7065	Traction control throttle potentiometer	7311	Cruise control fuse
7070	Brake electro-hydraulic unit	7312	Cruise control switch warning light diode
7071	Brake pedal travel sensor	7315	Vacuum pump assembly
7075	Traction control cut-off switch	7316	Speed limiter switch
7076	Traction control switch warning light relay	7318	Speed limiter analogue/digital conversion unit
7077	Hill holder cut-off switch	7320	Cruise control safety SV
7078	Hill holder buzzer	7325	Cruise control control
7080	Brake fluid level signal diode	7400	External temperature display
7090	Braking assistance vacuum pump	7500	Parking aid ECU
7091	Braking assistance pressure switch	7501	Laser telemeter
7092	Electric handbrake control	7502	Laser telemeter switch
7095	Electric handbrake assembly	7503	Parking aid front speaker
7100	Power steering regulator servo	7504	Parking aid rear speaker
7105	Variable power-assisted steering ECU	7505	Parking aid inhibit switch
7110	Power steering servo	7506	Ext. front LH proximity sensor
7111	Variable power steering proportional SV	7507	Int. front LH proximity sensor
7112	Power steering pressure sensor	7508	Ext. front RH proximity sensor
7113	Power steering limit sensor	7509	Int. front RH proximity sensor
7114	Variable power steering valve	7510	Ext. rear LH proximity sensor
7115	Power steering control relay	7511	Int. rear LH proximity sensor
7120	Power steering electric pump motor	7512	Ext. rear RH proximity sensor
7121	Power steering electric pump diode	7513	Int. rear RH proximity sensor
7122	Power steering electric pump assembly	7514	Parking aid buzzer
7125	Power steering power relay	7515	Parking aid cut-off switch
7126	Electric power steering ECU	7516	LH available space meas. proxim. sensor
7127	Electric power steering wheel angle sensor	7517	RH available space meas. proximity sensor
7128	Electric power steering torque sensor	7518	Middle front LH proximity sensor
7129	Electric power steering motor	7519	Middle front RH proximity sensor
7130	Multiplex steering wheel angle sensor	7520	Parking aid camera
7200	Regulator-computer signal relay	7521	Space available measurement switch
7201	Colour screen control module	7522	Parking aid video screen
7202	Colour screen infrared receiver	7525	Overtaking aid camera
7205	Scrolling switch (computer)	7526	Vehicle in blind spot warning light
7206	Check switch	7530	Overtaking aid management module
7210	Trip computer	7550	Lateral trajectory monitoring ECU
7211	Police trip computer	7551	Lateral trajectory monitoring LH 1 sensor
7214	Screen tilt motor	7552	Lateral trajectory monitoring LH 2 sensor
7215	Multifunction screen	7553	Lateral trajectory monitoring LH 3 sensor
7216	Multifunction screen keypad	7554	Lateral trajectory monitoring LH 4 sensor
7220	Clock	7555	Lateral trajectory monitoring LH 5 sensor
7222	External temperature sensor	7556	Lateral trajectory monitoring LH 6 sensor
7225	Ext. temperature display + clock	7559	Lateral trajectory monitoring LH vibrator
7226	External temperature display	7561	Lateral trajectory monitoring RH 1 sensor
7300	Cruise control switch	7562	Lateral trajectory monitoring RH 2 sensor

7563 Lateral trajectory monitoring RH 3 sensor	7729 Front RH active anti-roll accelerometer
7564 Lateral trajectory monitoring RH 4 sensor	7730 Rear LH shock absorber actuator
7565 Lateral trajectory monitoring RH 5 sensor	7731 Rear LH shock absorber interference coil
7566 Lateral trajectory monitoring RH 6 sensor	7732 Front active anti-roll accelerometer
7569 Lateral trajectory monitoring RH vibrator	7733 Rear LH active anti-roll accelerometer
7570 Lateral trajectory monitoring switch	7734 Rear RH active anti-roll accelerometer
7600 Tyres underinflated detection ECU	7735 Rear RH shock absorber actuator
7601 Underinflation detect. HF receiver	7736 Rear RH shock absorber interference coil
7602 Wheel transmitter module	7737 Suspension compressor
7605 Underinflation reset switch	7738 Suspension inhibit switch
7606 Front LH tyre pressure detection low frequency transmitter	7739 Central electronic unit motor
7607 Front RH tyre pressure detection low frequency transmitter	7740 Suspension electro-hydraulic unit
7608 Rear LH tyre pressure detection low frequency transmitter	7741 Front RH hydraulic suspension SV unit
7609 Rear RH tyre pressure detection low frequency transmitter	7742 Front LH hydraulic suspension SV unit
7610 Front tyre pressure detection high frequency transmitter	7743 Rear RH hydraulic suspension SV unit
7611 Rear tyre pressure detection high frequency transmitter	7744 Rear LH hydraulic suspension SV unit
7612 Underinflation high frequency detection transmitter	7745 Vehicle height selector
7700 Steering wheel angle sensor	7746 Controlled rear axle pad SV
7702 Body front height sensor	7747 Front suspension SV
7703 Body rear height sensor	7748 Rear suspension SV
7704 Body height potentiometer	7749 Boot height selector
7705 Body height sensor	7750 Suspension control panel
7706 Brake pressure switch	7751 Front LH body height sensor
7707 Accelerator pedal sensor	7752 Front RH body height sensor
7708 Front wheel travel sensor	7753 Rear LH body height sensor
7709 Rear wheel travel sensor	7754 Rear RH body height sensor
7710 Suspension switch	7755 Front suspension pressure sensor
7711 FR RH wheel travel sensor	7756 Rear suspension pressure sensor
7712 FR LH wheel travel sensor	7757 Pump ass. power supply current cut-off relay
7713 RR RH wheel travel sensor	7758 Variable shock absorber ECU
7714 RR LH wheel travel sensor	7759 Elec. unit motor cut-off relay
7715 Suspension ECU	7760 CAN bridge
7716 Front suspension SV	7769 Suspension buzzer
7717 Rear suspension SV	7770 Hydraulic fluid pressure and/or level buzzer
7718 Roll correction SV	7771 Tank SV
7719 Anti-roll electro-hydraulic unit	7772 Suspension ECU P-fuse
7720 Front LH shock absorber actuator	78A1 ESP motor power supply relay
7721 Front LH shock absorber interference coil	78A2 ESP solenoid valves power supply relay
7722 Active roll control ECU	7800 Stability program ECU (ESP)
7723 Active anti-roll accelerometer	7801 ESP cut-off switch
7724 Variable damping accelerometer	7802 ESP relay
7725 Front RH shock absorber actuator	7803 ESP steering wheel angle sensor
7726 Front RH shock absorber interference coil	7804 ESP accelerometer gyrometer
7727 Rear active anti-roll accelerometer	7805 ESP pre-loading pump
7728 Front LH active anti-roll accelerometer	7806 ESP hydraulic unit
	7807 Braking circuit pressure 1 sensor
	7808 Braking circuit pressure 2 sensor
	7809 ESP bridge
	7810 Front LH stability program sensor
	7815 Front RH stability program sensor
	7820 Rear LH stability program sensor
	7825 Rear RH stability program sensor

80A0	Multi-function blower relay	8049	Addit. air conditioning blower resistor
80F1	Additional air conditioning P-fuse 1	8050	Blower motor (if separate)
80F2	Additional air conditioning P-fuse 2	8051	RH blower motor
8000	Air conditioning switch	8052	LH blower motor
8001	Air conditioning compressor relay shunt	8053	LH addit. blower speed switch
8002	Internal ventilation switch	8054	RH addit. blower speed switch
8003	Internal ventilation motor	8055	First resistor unit control relay
8004	Air conditioning cut-off module	8056	2nd resistor unit control relay
8005	Air conditioning compressor relay	8057	3rd resistor unit control relay
8006	Evaporator thermistor (if separate)	8058	R2 and R3 control relay
8007	Pressure switch	8059	Additional air con blower motor
8008	Air conditioning motor coolant thermistor	8060	Air conditioning heater unit
8009	Freon pressure sensor	8061	Air conditioning heater unit relay
8010	Coolant temperature module	8062	Air conditioning heater unit shunt
8011	Warm loop coolant pump control relay	8063	RH mixer flap gear motor
8012	Air conditioning cut-off pressure switch	8064	LH mixer flap gear motor
8013	Additional air conditioning SV	8065	Mixer flap gear motor
8014	Idle speed stability SV	8066	Rear air conditioning heater unit
8015	Compressor cut-off relay by temp. module	8067	Air inlet flap control
8016	Relay for compress. cut-off via CCM	8068	LH air inlet flap gear motor
8017	Warm loop SV control relay	8069	RH air inlet flap gear motor
8018	Blower high speed control relay	8070	Air inlet flap gear motor
8019	Blower low speed control relay	8071	Distribution flap gear motor
8020	Air conditioning compressor	8072	Airflow flap gear motor
8021	Front LH air conditioning control panel	8073	Footwell/deicing flap gear motor
8022	Air conditioning motor coolant temper. switch	8074	Chopper valve
8023	Front RH air conditioning control panel	8075	RH distribution flap gear motor
8024	LH passenger compartment air thermistor	8076	LH distribution flap gear motor
8025	Air conditioning control panel (if separate)	8077	Rear blower speed switch
8026	Additional air conditioning control panel	8078	Rear blower motor
8027	Additional air conditioning switch	8079	Air quality sensor
8028	RH passenger compartment air thermistor	8080	Air conditioning ECU
8029	Air conditioned central storagecompartment	8081	Rear LH air conditioning control panel
8030	Passenger compartment air thermistor	8082	Mixer flap gear motor control relay.
8031	Coolant thermistor	8083	Rear RH air conditioning control panel
8032	External air thermistor	8084	Passenger compartment air heating resistor
8033	Brightness thermistor	8085	Power blower motor
8034	Footwell air thermistor	8086	LH additional blower unit
8035	Passenger compartment temp.electron. thermostat	8087	RH additional blower unit
8036	Temperature display control	8088	Additional heating control panel
8037	Air vent air thermistor	8089	Additional heater SV fuse
8038	Light sensor	8090	Compressor protection diode
8039	Front seat air blower	8091	Independent/additional heater control relay
8040	Blower speed control	8092	Additional heater switch
8041	Centre rear air blower	8093	Additional heater fuel pump
8042	Rear air blower	8094	Additional heater fuse
8043	RH blower control module	8095	Additional heater control fuse
8044	LH blower control module	8096	Additional heater on signal diode
8045	Blower control module (if separate)	8097	Fuel heating control switch
8046	Blower speed resistor (if separate)	8098	Additional heater
8047	Blower speed switch	8099	Independent/add. heater igniter
8048	Blower relay	8100	Front cigarette lighter

8105	Rear cigarette lighter	8313	Front RH heated seat relay
8106	Rear cigarette lighter 2	8314	Passenger heated bench seat
8110	Heated rear screen switch	8315	Front RH heated seat
8111	Demisting switch	8316	Heated cushion adjustment module
8112	Rear screen demisting sensor	8317	Heated backrest adjustment module
8115	Heated rear screen relay	8318	Rear LH heated seat rheostat
8116	Heated rear screen timer relay	8319	Rear RH heated seat rheostat
8118	LH heated rear screen	8320	Rear heated seat
8119	RH heated rear screen	8321	Front LH heated seat timer relay
8120	Heated rear screen	8322	Front RH heated seat timer relay
8121	Rear screen demisting motor	8323	Rear LH heated seat timer relay
8122	Top heated rear window	8324	Rear RH heated seat timer relay
8125	Front LH heated rear-view mirror	8325	Rear LH heated seat
8130	Front RH heated rear view mirror	8326	Rear RH heated seat
8140	Heated windscreen	8327	Front LH seat cushion heating element
8141	Heated windscreen switch	8328	Front LH seat backrest heating element
8145	Heated windscreen relay	8329	Front RH seat cushion heating element
8146	Heated windscreen timer module.	8330	Front RH seat backrest heating element
8200	Coded immobiliser keypad	8331	Front LH heated seat adjustment module
8201	Coded immobiliser warning light	8332	Front RH heated seat adjustment module
8203	Injection ECU power supply relay warning light	8333	Front LH heated seat sensor
8204	Injection ECU re-power relay	8334	Front RH heated seat sensor
8205	Diagnostic light circuit warning light	8335	Central seat cushion heating element
8206	Coded immobiliser door circuit warning light	8340	Front LH heated seat adjustment ass.
8207	Coded immobiliser relay for diesel pump	8345	Front RH heated seat adjustment ass.
8208	Coded imm./transponder electronic module	8346	Front RH heated seat switch
8209	Transponder coil	8401	Resistance adapter
8210	Transponder relay shunt	8402	Aerial cable
8220	Analogue module transponder	8403	Aerial filter
8221	Control module transponder	8404	Aerial
8235	Engine start switch	8405	Electric aerial
8240	Hands-free starting access electronic module	8406	Aerial amplifier
8241	Passenger compartment internal aerial 1	8407	Duplexer
8242	Passenger compartment internal aerial 2	8408	Radio amplifier
8243	Boot internal aerial	8409	Heated rear screen aerial assembly
8244	Emergency aerial	8410	Car radio
8245	Front LH external aerial	8411	Front LH/RH radio balance
8246	Front RH external aerial	8412	Front/Rear radio balance
8247	Rear LH external aerial	8413	Car radio control
8248	Rear RH external aerial	8414	Navigation audio line transform.
8249	Boot external aerial	8415	CD loader
8300	Front LH heated seat switch	8416	CD interface
8301	Heated seats adj. module	8417	Radio receiver/transmitter fan
8302	Front LH heated seats rheostat	8418	Radio aerial adapter
8303	Front RH heated seats rheostat	8419	Radio amplifier relay
8305	Front RH heated seat switch	8420	Front LH door speaker
8306	Rear LH heated seat switch	8421	Front speaker
8307	Rear RH heated seat switch	8422	Front LH speaker
8308	Heated seats relay	8423	Front RH speaker
8310	Front LH heated seat	8424	Audio amplifier
8311	Heated seat thermostat	8425	Front RH door speaker
8312	Front LH heated seat relay	8426	Bass speaker

8427	Bass boost speaker	8485	Radiotelephone keypad
8428	Rear LH hifi coaxial	8486	External video audio input unit
8429	Rear RH hifi coaxial	8487	Multimedia assembly
8430	Rear LH speaker	8488	PC auto colour screen
8431	Rear LH central speaker	8489	PC auto connection unit
8432	Aerial filter 2	8490	PC auto control unit
8433	Radio power supply filter	8491	Aerial switching module
8435	Rear RH speaker	8492	HANDSFREE KIT
8436	Rear RH central speaker	8493	Telematics receiver control
8440	Front LH tweeter speaker	8494	Telephone charge power supply
8442	Front LH medium speaker	8495	Television aerial assembly (Japan)
8443	Front LH boomer speaker	8496	Electronic toll system (Japan)
8444	Front LH woofer speaker	8497	Filter (Japan)
8445	Front RH tweeter speaker	8498	AM/FM aerial (Japan)
8447	Front RH medium speaker	8499	External audio input unit
8448	Front RH boomer speaker	8500	Navigation computer
8449	Front RH woofer speaker	8501	GPS aerial
8450	Rear LH tweeter speaker	8502	Navigation speaker
8451	Front LH heated seat	8503	Control keypad
84A1	Front centre console USB socket	8504	Traffic info module
84A2	MP3 player jack socket	8505	Traffic info switch
84A3	Aerial filter + heated rear screen	8506	RH audio/nav line conversion
84A4	Aerial filter + heated rear screen	8507	LH audio/nav line conversion
84A5	Telematic transmitter-receiver service module	8508	Navigation repeat switch
8800	Trailer cooler control relay	8509	Traffic condition signal warning light
8452	Rear LH medium speaker	8510	Navigation assembly (Japan)
8453	Rear LH boomer speaker	8511	Brake signal warning light (Japan)
8454	Rear LH subwoofer speaker	8512	Receiving/transm. module Traffic information
8455	Rear RH tweeter speaker	8520	Authorised speed control module
8457	Rear RH medium speaker	8521	Dialogue unit
8458	Rear RH boomer speaker	8522	Authorised speed stop switch
8459	Rear RH subwoofer speaker	8523	System data/transm. acquis +recovery.
8460	Rear LH headphones socket	8600	Anti-theft alarm module
8461	Resistor 1 (Japan)	8601	Switch with anti-theft alarm key
8462	Resistor 2 (Japan)	8602	Anti-theft alarm movement detection unit
8463	Resistor 3 (Japan)	8603	Anti-theft alarm switch
8464	Resistor 4 (Japan)	8604	Movement detection sensor
8465	Rear RH headphones socket	8605	Anti-theft alarm siren
8470	Front police radio power supply	8606	Anti-theft alarm warning light
8471	Rear police radio power supply 1	8607	Ultrasound transmitter
8472	Rear police radio power supply 2	8608	Ultrasound receiver
8473	Rear police radio power supply 3	8609	Ultrasound transmitter/Anti-theft alarm warning light
8475	Mobile phone handset	8610	Anti-theft alarm boot lid switch
8476	Radio telephone control electronic module A	8611	Anti-theft alarm bonnet switch
8477	Radio telephone control electronic module B	8612	Alarm rear RH hinged door switch
8478	Auto PC micro	8613	Alarm rear LH door switch
8479	PC auto switch	8614	Alarm rear RH door switch
8480	Telematics transceiver	8615	Alarm dipped beam power relay
8481	Radiotelephone speaker	8616	Anti-theft alarm relay
8482	Radiotelephone microphone	8617	Anti-theft alarm relay
8483	Radiotelephone on buzzer	8618	Anti-lift switch
8484	Radiotelephone aerial

ECU = multiplex electronic control unit

"V" warning light numbers

V0004 Stop warning
V100 Charge
V101 Traction batt. charge OK
V102 Traction batt. discharge
V117 12V converter fault
V110 Ignition test
V115 Preheating
V120 Injection test
V123 Pump cut-off
V130 Ignition/injection test
V170 Temporary fault
V171 Forward drive
V172 Reverse drive
V173 Insulation fault
V180 Gas supply warning light
V200 Rear fog light
V201 Front fog light
V230 Hazard warning lights
V231 LH/RH direction indicator
V232 LH direction indicator
V233 RH direction indicator
V260 Side lights
V261 Dipped headlights
V262 Main beam headlights
V266 Fog light warning light
V401 Engine coolant level
V417 Battery electrolyte low
V402 Engine coolant temperature
V404 Screen washer fluid level low
V405 Water detected in separator
V411 Engine oil pressure
V412 Engine oil level
V413 Engine oil temperature
V420 Starter warning light

V425 Clogged air filter
V430 Petrol level low
V432 Filler cap open
V440 Parking brake
V441 Brake fluid level
V442 Handbrake 1 fluid level
V443 Brake pads worn
V444 Bulbs blown
V450 Suspension fluid level
V460 Gear lever position
V461 Gearbox oil temperature
V470 Open door
V471 Front Doors and 2 side doors
V472 Front doors and 1 side door
V473 Seat belt buckle
V480 Catalytic converter temperature
V625 Deadlocking
V656 Front airbag
V657 Side airbag
V658 Passenger airbag inhibition
V664 Ride height corr. fluid level
V670 Differential lock test
V679 Reduction gear shift
V700 ABS test
V701 ABS active
V705 Traction control
V706 Traction control function
V731 Cruise control
V707 Brake pedal pos. (starting authorised)
V770 Suspension diagnostic
V780 Stability diagnostic (ESP)
V818 Additional heater min. level
V811 Heated rear screen
V822 Transponder

Numbering of "C" special function connectors

C001	Central diagnostic	C721	Multifunction screen test connector
C002	For troubleshooting wires	C771	Suspension test connector
C004	Instrument panel diagnostic	C800	Air conditioning test connector
C103	Engine running signal test connector	C820	Coded immobiliser test connector
C104	Emergency stop switch fuse holder	C840	Radio power supply + permanent supply connector
C105	General short-circuit optional connector	C860	Anti-theft alarm test connector
C109	Ignition test connector	C861	Anti-theft alarm power supply
C110	Ignition anti-interference connector	C863	protection module test connector
C111	Ignition adjustment connector for idle speed	C103	Engine running signal test
C120	Injection test connector	C105	General short-circuit option
C125	Anti-pollution adjustment connector	C109	Ignition test
C126	Power supply pump fuse holder connector	C110	Ignition anti-interference
C127	EGR test connector	C111	Ignition reg for idle speed
C128	Carburettor heating resistor fuse holder connector	C120	Injection test
C130	Ignition/injection test connector	C125	Antipollution adjustment
C133	Ignition/injection computer fuse holder connector	C126	Power supply pump fuse holder
C136	Heated bracket fuse holder	C128	Fuel heating resist. fuse holder
C137	Oxygen sensor heating fuse holder connector	C127	EGR test
C140	TDC connector	C130	Ignition/injection test
C145	System development connector	C133	Engine management computer fuse holder
C150	Fan assembly operation test connector	C137	Oxygen sensor heating fuse holder
C163	Automatic gearbox test connector	C140	TDC
C170	Electronic management test connector	C145	System development
C180	Gas diagnostic 1	C150	Fan unit operation test
C181	Gas diagnostic 2	C163	Automatic gearbox test
C182	Rich gas	C170	Electronic management test
C183	Lean gas	C180	LPG diagnostic
C200	Caravan socket power supply	C231	Driving school dual control
C231	Driving school double control connector	C260	Front fog light fuse holder
C260	Front fog light fuse holder connector	C464	Chronotachograph power supply fuse holder
C310	Caravan lighting + permanent power supply	C623	Locking test
C311	Brake switch connection	C630	Seat memory diagnostic
C464	Chronotachograph power supply fuse holder connector	C654	Pyrotechnic seat belt test
C623	Locking test connector	C656	Airbag test
C630	Seat memory test connector	C657	Pretensioners/airbags test
C654	Pyrotechnic seat belt test connector	C664	Ride height corr. circuit bleed
C656	Airbag test connector	C686	Electric hood test
C657	Airbag and pretensioner test connector	C700	ABS test
C664	Ride height correction circuit bleed connector	C701	ABS power fuse holder
C680	Sunroof connection	C705	Traction control diagnostic
C686	Electric hood test connector	C710	Variable power steering test
C700	ABS test connector	C721	Multifunction screen test

C705	Traction control test connector	C800	Air conditioning test
C710	Variable power steering test connector	C820	Coded immobiliser test
		C840	Radio + permanent power supply
		C860	Anti-theft alarm test
		C863	Protection unit test

Numbering for special cases

AE00	Electric anti-theft	BF02	Boot fuse box
B001	Equipotential terminal 1	BFDB	Fuse box from battery
B002	Equipotential terminal 2	BFH1	Passenger compartment 5-fuse box 1
B003	Equipotential terminal 3	BFH2	Passenger compartment 5-fuse box 2
B004	Equipotential terminal 4	BGP0	Central management unit (police)
B005	Equipotential terminal 5	BH12	Passenger compartment 12-fuse box
B006	Equipotential terminal 6	BH28	Passenger compartment 28-fuse box
B007	Equipotential terminal 7	BM27	27-fuse engine systems interface
B008	Equipotential terminal 8	BM34	34-fuse engine systems interface
B009	Equipotential terminal 9	BMF1	Maxi-fuse module 1
B010	Equipotential terminal 10	BMF2	Maxi-fuse module 2
B011	Equipotential terminal 11	BMF3	Maxi-fuse module 3
B012	Equipotential terminal 12	BMF4	Maxi-fuse module 4
B013	Equipotential terminal 13	BPCB	Battery cable protection unit
B014	Equipotential terminal 14	BSC1	Boot accessory unit
B015	Equipotential terminal 15	BSI1	built-in systems interface (BSI)
B016	Equipotential terminal 16	BSR1	Tow support unit
B017	Equipotential terminal 17	BTC1	Body repair transformer unit
B018	Equipotential terminal 18	CA00	Anti-theft switch
B019	Equipotential terminal 19	CBE1	Electronic handbook (police)
B020	Equipotential terminal 20	CCS1	Signal. central. ctrl assembly (police)
B021	Equipotential terminal 21	CJ01	Junction connector 1
B022	Equipotential terminal 22	CJ02	Junction connector 2
B023	Equipotential terminal 23	CP00	Rear 12V socket
B024	Equipotential terminal 24	CP01	Front 12V socket
BB00	Battery	CP02	Rear LH 12V socket on centre console
BB01	Rear battery assembly	CP03	Rear RH 12V socket on centre console
BB02	Front lower battery assembly	CP04	Rear central 12V socket
BB03	Front upper battery assembly	CP05	Boot 12V socket
BB04	Central battery assembly	CPC0	LH sliding side door switch assembly
BB05	Starter battery	CPC1	RH sliding side door switch assembly
BB06	Service battery	CT00	Steering wheel rotary switch
BB07	Alternator-starter power battery	CPH	Passenger compartment protection unit (module)
BB08	Traction battery (Hybrid Traction System)	CV00	Switch module under steering wheel(COM200X)
BB10	Power supply module	DRA0	Drain (shielding)
BB12	+ battery connection terminal	DRA1	Drain 1 (shielding)
BCM0	Multifunction switch unit	ECV0	Control assembly in steering wheel
BCM1	LH multifunction switch unit	MF00	Service battery maxi-fuse
BCM2	RH multifunction switch unit	MF01	Alternator maxi-fuse
BCM3	LH multifunction switch unit	MF02	Starter battery maxi-fuse
BCM4	RH multifunction switch unit	MF175	175A engine comp. MEGA-fuse
BCM5	Multifunction switch unit under the steering wheel	MFM1	Engine comp. MEGA-fuse 1
BCP3	3 relay protection and switching module	MFAV	Front fuses information display
BF00	Passenger compartment fuse box	PC01	Rear RH outlet
BF01	Engine compartment fuse box	PC02	Rear LH outlet
		PFC1	Boot fuse holder 1

PR01	Passenger compartment relay support plate	PSF1	Engine comp. fuse module-support plate
PRF1	Fuse-relay holder 1 engine compartment	PSF2	Boot fuse module-support plate
PRF2	Fuse-relay holder 2 engine compartment	PT00	Transformer socket
PS00	Support plate (if separate)	RP00	BSI power relay
PSF0	Passenger compartment fuse module-support plate	VMF1	Steering wheel with fixed centralised control

Technical abbreviations and interpretations

AAC	Camshaft
AAS	Parking aid
ADDGO	Diesel additive
A/C	Air Conditioning
ABS (ABR)	Anti-Lock Braking System
ADAM (AFU)	Advanced Dynamic Aid Mechanism
ADC	Coded immobiliser
AET	Electronic immobiliser with transponder
AMVAR	Suspension with electronic management
ASR	Wheel traction control (Acceleration Slip Regulation)
BRAC	Cooling requirement for air conditioning
BEE	Water inlet unit
BM (BSM)	Engine systems interface (Example BM34)
BMC	Bulk moulding compound
BSE	Water outlet unit
BSI	Built-in systems interface
BTE	Retractable roof unit
BTO	Odometer warning lights unit
BVA	Automatic gearbox
BVM	Manual gearbox
CAN	Controller Area Network
CBC	Corner brake control
CCM (ECM)	Engine management computer
CD	Compact Disk
CDS (ESP)	Electronic stability program
CEE	EUROPEAN Economic Community
COM200X	Switching module under the steering wheel (CV00)
CPH	Passenger compartment protection unit
CR	Common Rail (single distributor)
CTN	Negative temperature coefficient
CV00	Switching module under the steering wheel (COM200X)
DAE	Electric power-assisted steering
DAV	Variable power-assisted steering
DNS (1/2)	Domain Name Server (1 or 2 internet providers)
DSG	Underinflation detection
ECM (CCM)	Electronic engine management
EEPROM	Electrically Erasable Programmable ROM
EDC	electronic diesel test
EGR	Exhaust Gas Recirculation
EMF	Multifunction screen

EOBD	European On-Board Diagnostics
EPROM	Erasable Programmable ROM
ESMC	Extreme sheet moulding compound
ESP (CDS)	Electronic stability program
ESV	Wiper
EU	European Union
SV	Solenoid valve
SVA	Emergency Valve Assistant (emergency brake assist)
FAP	Particle filter
FRIC	Cooling function integrated in the ECU
GEP	Electro-pump assembly
GMV	Cooling fan unit
GNV	Natural Gas Vehicle
GRA	Additional regulation assembly
HDC	Top of Column
HDI	High pressure direct injection
HF	High frequency
HP	Speaker
HPI	High pressure injection (direct - petrol)
HSN	High Silicon Nitrile
IR	Infrared
JDD	Fault log
LAD	Discharge bulb
LIN	Local Interconnect Network
LVV	Vehicle speed limiter
MSR	Motor Schleppmoment Regelung (Engine torque adjustment)
PLC(M)	Sliding side door (motorised)
PSF	Fuse support plate
PTFE	Poly Tetra Fluor Ethylen
RAA	Intake air heater
RAS	System air cooler
RCO	Opening cyclic ratio
REF	Electronic braking distribution
REAR	Rear additional blower air flow regulation
REF	Electronic braking distribution
RF	A/C (manual adjustment)
RFTA	A/C with automatic adjustment (passenger compartment temperature/flow of air/air distribution)
RFTD	A/C (adjustment: air flow/passenger compartment temp.)
RVV	Cruise control
SAI	Integrated intake system
SHED	Sealed Housing for Evaporation Determination
SMC	Sheet moulding compound
SWIRL	Air turbulence
TE	Retractable roof
TO	Sunroof
VAN	Vehicle Area Network
VTC	Valve Timing Camshaft (Variable distribution)
VVT	Variable Valve Timing

Identification of earths, connectors and differentiators (605 to AM 94, 106 and 405 to AM 92)

Identification of earths, parallel connections, connectors and differentiators

(1007, 106 from MJ93/206, 207, 306, 307, 405 from MJ93/406, 407, 605 from MJ95/607/806/807/Expert/Partner)

Numbering of wires (diagrams without BSI)

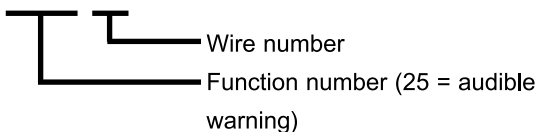

Before fuse power supply	After fuse power supply	Description
AA (+AA) ..	A	+ Accessories feed
BB	B	+ Battery feed
CC (+CC) ..	C	+ After ignition feed Engine run.
FF	F	+ battery feed
KK	K	+ after ignition feed cut-off
LL	L	+ Plus alternator
VV	V	+ Side light
	P	+ Headlights timed
	T	+ battery feed

Diverse power supply

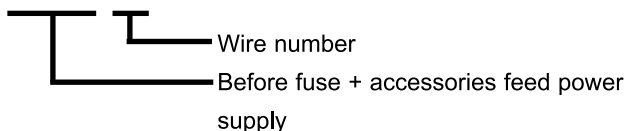

BM	After fuse + battery feed power supply (fuse box in engine compartment)
CE	+ Lighting after ignition feed power supply (anti-theft output to lighting switch)
CR	Dipped/main beam power supply output (lighting switch)
PA	Additional driving lights power supply
PB	Front fog lights power supply
PC	Dipped headlights power supply
PR	Main beam headlights power supply
RC	Dipped/main beam power supply output (lighting switch)
VR	+ Side light after rheostat power supply
D	Drain
M	Earth
+P	Plus permanent
Earths	
D	Drain
M	Earth
MP	Headlights earth
MV	Warning light earth
Multiplexing	
90 ..	Multiplexing wires

Reading schematic diagrams (on paper and Infotec)

A : Earth connection symbol
B : Equipment number
C : Wire number
D : Connector housing number
E : Connector colour
F : Connector housing number
G : Fuse number
H : Represents signal to another function

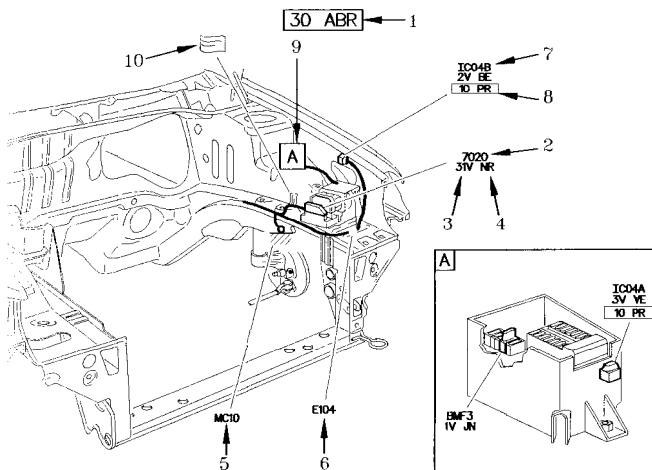

I : Number of function concerned by the cross reference
J : Represents existing wire according to vehicle equipment
K : Figure representing the device
L : Married wires
M : Represents a splice

Reading wiring diagrams (on paper and Infotec)

- N: Identification
 O: Representation of a fuse box
 P: Interconnection number
 Q: Number of interconnection tracks
 R: Interconnection colour
 S: Representation of a partial interconnection
 T: Represents a splice

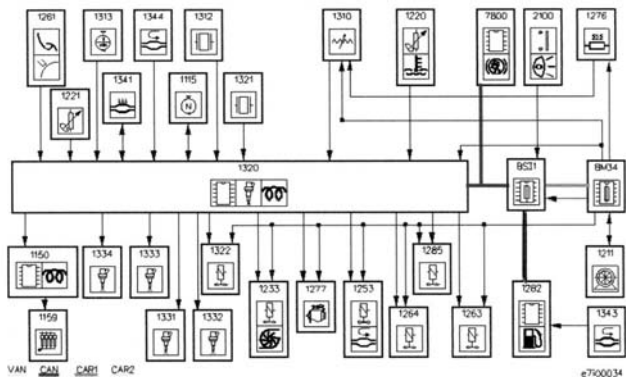

Reading location diagrams (on paper and Infotec)

Key:

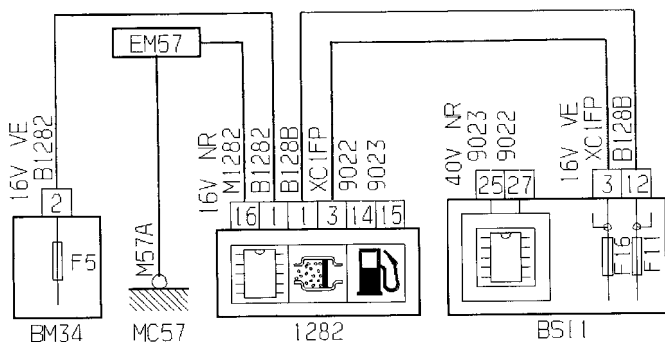

1. Identification of the wiring harness represented
2. Identification of the equipment
3. Number of connector tracks
4. Connector colour
5. Representation of an earth socket
6. Representation of a splice
7. Identification of an interconnection
8. Identification of the connected wiring harness
9. Link to a detail in the frame indicated
10. Location of the wiring harness label
